

Lemont Park District Pre-School

WATCH YOUR CHILD GROW AND LEARN WITH US...

The Lemont Park District Pre-school is a balanced program where your child will grow and learn in a cheerful, nurturing and stimulating environment that emphasizes a love for learning.

Our curriculum focuses on the whole child by providing opportunities for social, emotional and cognitive development along with math, science, arts and physical development in preparation for kindergarten.

Our classrooms and creative materials encourage interaction to promote your child's means of expression, creativity, problem-solving and thinking. Playing with others, participating in small and large group activities and following directions will enhance your child's emotional development.

The goal of the Lemont Park District Pre-school is to create a warm and caring environment to assist children in reaching their fullest learning potential!

Class Descriptions

YOUNG 3's

Our "Young 3's" classes were developed for children who will be three years-old between September 1st and December 31st. This class is an introductory that will help foster socialization and learning in a fun, safe, and caring environment. Emphasis is on social skills, separation from parent, learning to share, take turns and independence. Daily activities include art, dramatic play and large motor play (inside and outside). Stories, songs and FUN! The children will be introduced to colors, shapes, numbers & counting, letters, spatial relations and learn to recognize their name.

Students will also have a weekly opportunity to visit our computer lab! The "Young 3's" meet Tuesday and Thursday mornings for one and a half hours.

3 YEAR-OLDS

Our 3 Year-old classes are designed for children who will be three years-old by September 1st. The exploration of numbers, shapes, colors, letters (and much more!) are introduced through interactive play and learning. Children are encouraged to start development of social skills as they begin their journey towards Kindergarten. Creative art media, introduction to computers, physical education, music, dramatic play, learning to recognize, trace and write their names and, simple work sheets to enhance learning are just a few of the things your child will experience. The 3 Year-olds meet twice a week for two hours. Classes are offered Monday and Wednesday in the morning and Tuesday and Thursday in both the morning and afternoon.

4 YEAR-OLDS

The 4 year-old class is for children who are four years old as of September 1st. Our curriculum includes reviewing colors, shape recognition, phonetic awareness and printing of the alphabet & numbers one through twenty. Daily worksheets include coloring, cutting and gluing. Creative art and large motor activities correspond with the letter of the week. Science, computer lab and music are tools used to help promote independent thinking as students master their kindergarten readiness skills. The 4 year-old classes meet three times a week for two and half hours each day. Classes are offered Monday, Wednesday and Fridays in the morning and afternoon.

FINALLY 5's

Our "Finally 5's" class was developed for children who will turn five years-old between September 1st and December 31st. Students progress through our curriculum with emphasis on daily phonic awareness to prepare for reading, writing and verbal skills. Review of colors, numbers, shapes and letters are implemented through worksheets, large motor activities and concept time. Science, computer lab, snack time and music assist students with independence, enhance their curiosity, promote socialization and strengthen your child's positive self image. "Finally 5's" advanced activities help students to master their Kindergarten readiness skills. Classes meet three days a week for two and half hours each day and are available Monday, Wednesday and Friday in the morning. One year of preschool at the Lemont Park District is required before entering "Finally 5's".
