Week 2: Animal Week

This past week was Welcome Week! Campers and counselors had a great time meeting each other and participating in lots of team & get to know you games! Last week, campers also had a blast getting to meet an Olympic fencer and learning how to fence.

This week of June 10-14 is ANIMAL THEMED WEEK!!! Each day we will play games and have crafts that are animal related!

On Wednesday, June 12, we are traveling to Lincoln Park Zoo in Chicago! This is always a camper favorite field trip. We will be boarding the bus in the

morning at 9:30 a.m **SHARP**, and we will be returning around 3:30 p.m. Please have your child wear his or her green camp shirt. If your child does not have a camp shirt yet we will be passing out the green shirts the morning of Wednesday, June 12th.

Also be sure to pack a sack lunch and bring a water bottle for your camper as well, campers will be bringing their backpacks to the zoo! We will see many different animal exhibits and explore what else the zoo has to offer!

Additionally, on Friday , June 14th we will be having a cookout to celebrate the

end of Session 1! We will be serving freshly grilled hotdogs, chips, and lemonade to the campers. So the campers do not need to bring a lunch that day unless they are allergic to or do not like the food provided! We also encourage campers to pack an extra snack in case the food we provide is not enough to fill them up! Additionally, time and weather permitting campers will be able to enjoy our jumpy house. If you have any questions don't hesitate to ask a counselor. Hope everyone is excited for an animal filled week!

In case of inclement weather, the campers will be in either the Centennial Community Center or The CORE. Please call the Service Desk to find out where dismissal will be for the day. A sign will also be posted near the stop sign outside the Centennial Community Center informing parents where pickup will be for the day.
