

LEMONT PARK DISTRICT

# PROGRAM GUIDE

Winter 2025

Dear Lemont Park District Community,

What a wonderful year it has been! The District has made great strides on projects and we're excited to see them come to fruition.

Athens Park in Downtown Lemont is taking shape and is scheduled to be completed and open to the public in the Spring of 2025. Miracle Field's renovation is nearly complete, and we are excited to begin programming and use in Spring of 2025.

The upcoming projects proposed through the referendum, are steps towards realizing our shared vision for a vibrant and inclusive community. We are diligently finalizing plans and aiming to commence construction for portions of the work in late 2025. Visit our website for more information as it becomes available.

As winter begins to set in, make sure to continue to stay active! The indoor walking track is FREE to residents. This is the last couple of months for NO enrollment fee for new members at The CORE! We have some pieces of new fitness equipment, a refinished Trackside Room for specialty fitness classes, and updates to The CORE locker rooms. Stop by and try us out today!

This winter guide brings a great lineup of some traditional events, including the Frigid 5K, Holi-Dazzle Home Decorating Contest, Senior Holiday Lunch, Noon Years Eve and Daughter Date Night! Try something NEW this season and check out the Line Dancing Class, Adult Pickleball Lessons, or one of the various new early child classes (listed on page 23). Be sure to register for the annual Quarryman Challenge 5K and 10-Mile race!

On behalf of the Lemont Park District Board of Commissioners and Staff, we look forward to seeing you Experiencing the Fun with us this season!

Bill McAdam, Board President

# Learn to "Riverdance" from International Irish Dancing Stars!

## Meet Jenny & Kevin Murray!

Kevin Murray, the unanimous North-West Regional Champion, has been Irish dancing for over 30 years. He has placed in the top five at Great Britain's, a world-renown competition, and second at the British Nationals. He is a three-time European Champion and is an "All-Ireland and World Championship" medal holder. After much success in his competitive career, Kevin was then chosen to perform in professional International Irish dancing shows such as Riverdance and Lord of the Dance. Kevin lit up the stage in over 25 countries, at thousands of venues and has performed in front of millions of people. He is also a certified teacher (TCRG with "An Coimisiun"), the largest Irish dance organization in the world.

Jenny Bailey-Murray started Irish dancing at the age of five, training in Chicago, Illinois. She is a top placer in her solo competition in Regional, National, and World Championships, holding Regional and National titles and World medals. In her final year of competition, she received a perfect score at the Regional Championship and was the only Mid-American to place at the World Championship. Jenny has appeared in numerous television shows such as On Demand Best in Chicago, Chicago Med, Chicago PD, and Chicago Fire. Jenny is a certified Irish Dance teacher and adjudicator, (ADCRG with "An Coimisiun"), passing with honors. Jenny took a break from teaching and danced in professional International Irish dancing shows dancing as lead dancer, touring with Riverdance and Lord of the Dance.

World-Renown Irish Dance stars, Kevin and Jenny opened an international Irish Dance School in six countries: Germany, Isle of Man, Oman, United Arab Emirates, United Kingdom, and United States. Their dancers have held Mainland Europe and Asia titles consecutively, qualifying them to represent their countries at the World Championships. The Lemont Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. ## Waiver & Release of All Claims & Assumption of Risk

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages, or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity (including transportation vehicles when provided.) I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Lemont Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as Lemont Park District.)

I do hereby fully release and forever discharge the Lemont Park District from any and all claims for injuries, damages or loss that my minor child/ward or I may have, or which may accrue to me or my minor child/ward and arising out of, connecting with, or in any way associated with this program/activity. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering a minor participant, I further attest that I have read the above to my minor child/ward.

Any faxed registration forms/signatures will be considered the same as an original form/signature.
